Left caption:

The cards shall repeat depending on the number of submissions.

Starting from the beginning, the user can toggle to different months using the dropdown button.

The cards have multiple components:
1. The image
2. A heart button to make photo a favorite
3. The author's name and submittal date
4. The amount of votes/hearts it has received

Right caption:

The difference in this sketch is the style and alignment of the cards all else remains.

Starting from the beginning, the user can toggle to different months using the dropdown button.

The cards have multiple components:
1. The image
2. A heart button to make photo a favorite
3. The author's name and submittal date
4. The amount of votes/hearts it has received
